## Description

The KC-MC1XDZ02 mating connector kit includes mating connector housing and crimp pins for use with *ADVANCED* Motion Controls MC1XDZx02-xx mounting card models. Each individual kit contains mating connector housing and crimp style contacts for the mounting card I/O, Feedback, and Communication connectors.*

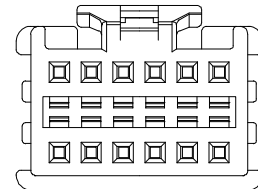

*Photo is for connector series reference only. 2 extra contacts included with kit. The recommended tool for crimping the contacts is Molex part number 63811-6300. Crimping tool not included with KC-MC1XDZ02.

Included in KC-MC1XDZ02 Kit:

I/O Connector Mating Connector

Part Information:	16-port, dual-row, 2.00 mm spaced plug, vertical mount
Manufacturer Part Number:	Molex: P/N 51353-1600 (housing); 56134-9100 (contacts)
Quantity:	1 housing, 16 crimp-style contacts

Feedback Connector Mating Connector
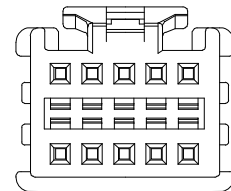

Part Information:	12-port, dual-row, 2.00 mm spaced plug, vertical mount
Manufacturer Part Number:	Molex: P/N 51353-1200 (housing); 56134-9100 (contacts)
Quantity:	1 housing, 12 crimp-style contacts

Communication Connector Mating Connector

Part Information:	10-port, dual-row, 2.00 mm spaced plug, vertical mount
Manufacturer Part Number:	Molex: P/N 51353-1000 (housing); 56134-9100 (contacts)
Quantity:	1 housing, 10 crimp-style contacts

MOUNTING CARD COMPATIBILITY
- MC1XDZC02
- MC1XDZC02-QD
- MC1XDZC02-HP1
- MC1XDZR02
- MC1XDZR02-QD
- MC1XDZR02-HP1
